No Kid Hungry's Impact in Vermont

Eight year-old Ida's parents aren't always able to provide enough for her to eat at home. This is especially true in the summer, when school meals aren't available and Ida's family struggles to stretch their food budget. No Kid Hungry and our partners, like Hunger Free Vermont, are ending childhood hunger in Vermont. With support from No Kid Hungry campaign, Hunger Free Vermont is feeding healthy meals summer meals to kids who need them. Summer was once a season of hunger for many kids, but we're changing that. By investing in practical solutions that connect children to food, we ensure the summer months are no longer a time of uncertainty for kids like Ida.

About No Kid Hungry
